On January 17, 2011, the offender provided a urine sample which tested positive for the use of cocaine. Upon being confronted regarding this positive urine test, the offender admitted that he had used cocaine with a female friend, at his home, after having a few drinks. Since the offender has a lengthy history of substance abuse and has attended substance abuse treatment, probation has discussed with Thompson how he should avoid drinking alcohol. Thompson has also indicated that he is aware of the correlation between alcohol use and relapse. To this effect, Thompson has agreed that he should not drink alcohol while on supervision and signed the attached Form 49. Additionally, the offender has been referred for a substance abuse evaluation and was instructed to attend three Narcotics Anonymous (NA) meetings a week. As a sanction

he was instructed to write a 500 word essay on how drugs have effected his life.
